

Calling All CRCA Emerging Leaders!!

Register Online Today for the April 21, 2016 Emerging Leader Event at:
PunchBowl Social, 1100 American Ln., Schaumburg, 6-9 pm

COME LEARN!

How do Three Types of Roofing & Waterproofing Industry Professionals address Technical Issues? Come hear Matt Dupuis, SRI (PE), Kami Farahmandpour, BTC (Design Community) and John Arellano, GAF (the Manufacturer) discuss how technical issues are addressed from their segment's perspective.

COME SOCIALIZE!

Enjoy PunchBowl's Activities (Bowling, Darts, Foosball and More) after the Speakers! Great Food and Drink too!

What are CRCA Emerging Leaders? Formed in 2015, this new CRCA Committee is made up of the "younger generation" from CRCA member firms with the goal of networking, discussing and learning from each other. CRCA Emerging Leaders will tackle the challenges of merging new technology and ways of doing business in the roofing and waterproofing world while not losing sight of the "old ways" that make their companies and this industry great! Feel free to bring others from your firm or other CRCA member companies!

Registration Required by Monday, April 18th! Visit www.CRCA.org to register online today! Note: This event is free. Cancellations must be received by Monday, April 18th to avoid a \$20 No Show charge. Unable to attend? Send another of your firm's Emerging Leaders in your place! Questions? Contact CRCA at 708-449-3340 or linda@crca.org!
