

About I4PL 2018 Conference

I4PL 2018 Conference is your opportunity to exchange ideas, insights, experiences and resources with faculty and instructors, practitioners, experts, instructional technology and media professionals, training providers, researchers, consultants, start-ups, policy makers, academic decision-makers and educational technology industry leaders from around the world.

- Choose from **150** interactive and practical sessions, including plenaries, concurrent workshops and sessions, special briefings, panel discussions and sponsor presentations
- Connect with delegates from North America, South America, Europe, Asia, Africa, and Oceania
- Explore over **75** major exhibits at the Global Summit & EdTech Expo, Performance & Learning in the Digital Age, showcasing next generation innovation, new education technologies, and the latest online learning platforms, software and solutions
- Join us in Toronto, the most multicultural city in the world, a leading technology hub, and a top international destination for entertainment, dining, culture and sports

Come to Toronto in October 2018 to share the learning and excitement with delegates from North America, South America, Europe, Asia, Africa, and Oceania.
