

The Sheraton Centre Toronto Hotel offers more than 100,000 square feet of flexible meeting and event space, earning its place as the largest convention hotel in Canada while successfully catering to the most intimate gatherings. Due to the size and dual-purpose of the venue, both the Conference and the hotel requirements can be accommodated at the same venue.

Located in the heart of vibrant downtown Toronto, in the financial and entertainment districts, the CAA/AAA four diamonds Sheraton Centre Toronto Hotel enjoys an unparalleled location on Queen Street West, directly across from Nathan Phillips Square, Toronto's City Hall. Directly connected to the city's famed underground PATH network, a veritable underground city, linking 16 miles of shops, services and offices, most of Toronto's favourite attractions are mere steps away.

The Sheraton Centre Toronto Hotel is the recipient of the Gold Key, PCMA and Pinnacle Award designations.
