All registrations will be taken online. Directions and hotel information will be on the registration page. Registrants will be emailed a confirmation (please be sure to leave an accurate email address). Fees include a continental breakfast, refreshment breaks, lunch and course materials.

For More Information Contact: Meagan Rosina: (609) 392-1201 or mrosina@njpsi.com

Refund Policy: A full refund, less $50 per person administrative charge, will be issued with a written request to NJAO by September 21, 2018. No refunds will be issued after that date.

Thursday Reception!
Please Join Us Thursday Evening For A Complimentary Cocktail Reception
At The Westin Princeton Latitude Lounge!
8:30 - 10PM
7:30 - 8:30am Registration / Continental Breakfast / Exhibits

8:15 - 9:00am OMIC Risk Management | Michelle Pineda | Objectives: 1. Determine points in the process of care when a surgical checklist is needed. 2. Examine the ophthalmic-specific protocol developed by eye organizations. 3. Develop a plan to implement the protocols in all settings.

9:00 - 9:45am Update on Managing Diabetic Macular Edema and Diabetic Retinopathy | Diana Do, MD; Professor of Ophthalmology, Byers Eye Institute, Stanford University School of Medicine | Objectives: 1. Understand the role of anti-VEGF agents in regressing diabetic retinopathy. 2. Discuss the benefits and risks of intraocular steroids for diabetic macular edema.

9:45 - 10:30am Anti-VEGF Agents and Wet Age Related Macular Degeneration: Is There An End to Treatment? | Diana Do, MD; Professor of Ophthalmology, Byers Eye Institute, Stanford University School of Medicine | Objectives: 1. Understand the role of anti-VEGF agents in the treatment of wet AMD. 2. Explore the different treatment regimens commonly used by retina specialists.

10:30 - 11:00am Break

11:00 - 11:45am Washington Update | Michael Repka, MD; David L. Guyton, MD, and Feduniak Family Professor of Ophthalmology, Professor of Pediatrics, Johns Hopkins University School of Medicine, Vice Chair for Clinical Practice, Wilmer Eye Institute | Objectives: 1. To understand physician compliance and performance changes in Medicare’s Quality Payment Program for 2018. 2. To discuss targeted regulatory relief for physicians in the current political environment: administrative and legislative.

11:45 - 12:15am Business meeting

12:15 - 1:15pm Lunch & Exhibit Hall

12:45 - 1:45pm Refracting: Better at 1 or 2 | Robert Scharfman, MD; Director, Division of Ophthalmology, Hackensack Meridian Health, Raritan Bay Medical Center | Objectives: 1. Understanding the methodology. 2. Learning efficient and effective techniques to avoid mistakes.

1:45 - 2:45pm The Technician’s Guide to Cataract Surgery | John Stabile, MD; Private Practice, Voorhees, NJ | Objectives: 1. How to avoid pitfalls during cataract surgery. 2. Provide an overview of the process of cataract evaluation to ensure best surgical planning.

2:45 - 3:00pm Break

3:00 - 4:00pm Clinical Applications of Fundus Autofluorescence | Michael A. Kluaas, MD; The Retina Service of Wills Eye Hospital, Assistant Professor of Ophthalmology | Objectives: 1. Understand the basics of fundus autofluorescence retinal imaging. 2. Describe optimal uses of fundus autofluorescence in clinical practice.

4:15 - 5:15pm Common Pitfalls in Cataract Surgeries | John Doane, MD; Cornea / Refractive Surgeon / President, Discover Vision Centers, Kansas City, Missouri, Clinical Associate Professor, Kansas University Medical Center, Department of Ophthalmology, President Americas, American European Congress of Ophthalmic Surgery | Objectives: 1. The attendee will gain insight into the physics and optics related to light adjustable lens technology. 2. The attendee will understand the refractive correction ranges and situation for use of light adjustable IOL technology.

5:30 - 6:15pm The Alphabet Soup of Corneal Transplants | John Stabile, MD; Private Practice, Voorhees, NJ | Objectives: 1. For corneal transplant surgeons and clinicians need to know the alphabet soup of corneal transplants.
